Thanks Bob, waiting to hear from the State, so we're clear for the PCS conf room for either Wed, the 18th or 25th? Conf call lines, etc. as this is not one of our "big" meetings. Also, do you all, or Prct, have any Agenda items you would like to add?

Ok, thanks. Yes, pls check on your conf room as usual. That seems to work well for everyone.
Should be one of those dates based on the new information.

Donn,

Yes I did get your email. I can make myself available either date. Do you want me to check on the conference room availability for those two dates?

Bob, first , did you all receive the message I sent out regarding the Sept meeting? We had Outlook problems yesterday. I spoke to Gary this week, we're looking at the week of Sept 18th, or the 25th to get more information on the latest CAP issue. Will you all be available either those dates??
